## BENCH WARRANT CASES BEFORE JUDGE PEARSON.

(THE STATE VS P. A. WILEY.)

SIXTH DAY (CONTINUED)

WEDNESDAY MORNING, Aug. 24.

After the statement made by Mr. Wiley, as published yesterday, and a few pointed remarks by Judge Battle of counsel for the accused, the examination of witnesses for the defense proceeded.

Col R B. Watt sworn and examined.—Lives in Yanceyville, has an office in the Court House, the first on the right, was there on the morning of the meeting, 21st May. Saw Wiley and Stephens in conversation near the South door of the passage on that morning. In about 15 minutes after, Wiley came into his office, and in answer to some remark of his, said that Stephens wanted him to run for Sheriff, and remarked also, that Stephens had once done him a kindness and he was disposed to treat him with respect. Wiley went out a few minutes, but soon returned, transacted some business matter and then went out again. Wiley had on a black coat, don't recollect about the pants. On Sunday he saw him again and he then had on a yellow linen coat.

Witness was in the meeting in the afternoon, saw Logan Totten, he was Secretary of the meeting, he was in the Court House until after the delegates to Greensboro' were appointed, which was the last thing done. Was at my office till six o'clock; many were passing about the passage and in the assessor's room, many of them colored.

(Witness then gave an explanation in regard to a money transaction which required the parties to seek Brannon, the Clerk.) Heard Mr. Hodnett say in his speech that Stephens had received $530 as a detective while getting $7 a day in the Legislature.

CROSS EXAMINED.

Had the conversation with Brannon about the money after the meeting adjourned. There was considerable feeling against Stephens; the boys would sometimes crow at him on the streets. He was called by Hodnett a detective; there was very decided opposition if not bitter feeling against Stephens.

*Ques.* Do you believe there was a secret organization in the county to punish persons for stealing, &c., or vigilance committee to chastise negroes for stealing?

*Ans.* Do not and never did, I have heard of chastisement but know nothing of them but from rumor.

*Ques.* Have you reason to believe there is such an organization?

*Ans.* I have not, only from rumor; do not believe there are any for political purposes. Have only heard of three persons being whipped, one of them a white man for ill-treating his wife. Don't believe there is such an organization as Ku Klux.

Col. E. B. Withers examined. Is law partner of Mr. Watt; was at the meeting at the Court House on the 21st May. Was nominated for the Legislature and made a few remarks; stayed till the meeting closed. Totten was Secretary of the meeting and remained in the Court House until the meeting closed; saw him approach Mr. Mebane, the Chairman, while he was making out a list of delegates to Greensboro, which was the last thing done. Witness stepped into a side room with some others and after a few moments came out and saw Totten gathering up his papers. Witness then went to his office, spoke with Mr. Watt about the money in Brannon's hands and then left for his father-in-law's, about 5 o'clock. Sleeps in office except Saturday and Sunday nights. Thinks the Court House is 100 feet long, has occupied present office since 1866; front gate is some 20 yards from door of Court House; could see through the passage from the gate; thinks he could recognize persons at that distance, if his attention was called to them.

Totten is taller than witness (5 ft. 6) Mitchell is about ordinary size. Don't think persons could be very readily recognized from gate to south end of the passage, nor the doors easily distinguished, unless particular attention were directed to them, or the person were well acquainted with the premises. Totten lives in the country; didn't see him after he gathered up the papers in the court room.

CROSS EXAMINED.

Am satisfied Totten didn't leave his place in the Court House till after the adjournment.

*Ques.* Do you know or have reason to believe that there is in the county any secret organization, as a Vigilance Committee or anything of the sort for whipping negroes for stealing?

*Ans.* I know of none and have no reason to believe there are any.

*Ques.* Do you believe there is any Democratic organization in Caswell to punish black or white for crime?

*Ans.* I do not.

*Ques.* Have you reason to believe that persons have been illegally punished for violations of law?

*Ans.* None, except have heard of three cases; have been retained as counsel in three cases alleged to be of the kind, which are yet pending. Outside of these have heard of none.

BY JUDGE DICK.

*Ques.* Have you heard of other murders in the county besides Mr. Stephens?

*Ans.* Have heard of the murder of a negro named Jacobs and of that of Mrs. Stephens, mother of John W. Stephens, which was said to have been committed up-stairs in his house.

George Pinnix examined. Lives in Caswell 13 miles from Yanceyville; was at the meeting 21st of May; arrived about 9 or 10 o'clock; was in the meeting in the forenoon and stayed some 15 minutes. They were making nominations.

Started home about 12 o'clock. Saw Stephens and had a talk with him when I first got there, in ——'s tailor shop. He came in and proposed a walk; we went out toward a blacksmith shop, about 150 yards off; Stephens proposed that I should run for Sheriff, and on my refusal, asked if I would run for the Senate; which I also declined. He then said Wiley would make a good Sheriff, he was a mild man; that he had a conversation with him on the subject and intended to see him again about it. After some further talk witness went to the Court House and soon left for home.

In April last, at Court, had a conversation with Wiley in which he said he wanted no office, that he was so situated it would be to his interest to remain at home to take care of his mother and educate his children. In this conversation Wiley incidentally alluded to some kindness Stephens had done him and said he could not forget it, or words to that effect.

CROSS EXAMINED.

*Ques.* Was there not very bitter feeling in the community against Stephens?

*Ans.* At some there was; think it was pretty extensive.

TO THE COURT.

Don't know that Stephens was in the habit of attending Democratic meetings; was not surprised at his being there; had seen him at Democratic meetings before.

John McKee examined, am 14 years old; live in Yanceyville in my father's store; was at the meeting on 21st May a little while in the afternoon. Saw Mr. Stephens sitting at the end of a bench near the middle aisle. Saw Mr. Wiley in the Court House; saw Mr. Stephens touch Mr. Wiley, and Mr. Wiley put his hand on the bench and stooped down towards him, Mr. Stephens said something to him and then Mr. Wiley raised up. I soon left and went back to the store.

CROSS EXAMINED.

I have been examined before on this matter; stated then that Mr. Wiley put his hand on the bench; am sure I stated this before.

Brice Haralson sworn and examined. Lived in Yanceyville, have a store there, was there on day of the meeting. Went up in the afternoon while Mr. Livingston Brown was speaking; saw Stephens sitting near end of a bench taking notes; saw Wiley stoop down toward Stephens and Stephens saying something to him; Wiley bowed his head to him. Did'nt see Wiley any more then, but saw Stephens take up his cane and hat as if to leave. I went down at close of the meeting and found Wiley and Wilkerson in my store. They were about opening a bottle of bitters which Wiley had bought in the morning. Did not hear what was said between Wiley and Stephens in the Court House. It was but a short time after seeing Stephens take up his hat and stick before I went to the store. I saw Wiley when he left; soon after he and Wilkerson were in the store—think about 5 o'clock.

CROSS EXAMINED.

Mr. Boyden read from printed evidence of witness as given before jury of inquest, and asked, Did you state this before?

*Ans.* Wiley was not on trial then and of course I did not state these things as fully as now, relating to him; don't recollect whether there was any one in the vestibule when I came down from the Court House.

*Ques.* Was there not very bitter feeling against Stephens?

*Ans.* I think there was.

*Ques.* Have you reason to believe there are secret organizations in the county to punish white or black for supposed violations of law?

*Ans.* From what I have heard I think there were.

Thomas Bigelow examined. Live in Caswell some two and a half miles from Yanceyville; was in the Court House on the day of the meeting; was in the meeting in the afternoon at the beginning and left just as Col. Brown was going to speak. Saw Wiley and Stephens in the Court House; Stephens sat at end of a bench near the aisle. After I went out and was sitting in Haralson's store, saw Wiley come out; not very long after I had come out.—I met Wiley on the square and had a short talk with him; while talking young John Kerr came up and he and Wiley went off together; think they went towards John ston's store; I saw Mr. Wiley three times that afternoon, saw them when he watered his horse at the pump and started home in company with Wilkerson; this was about 5 o'clock or a little after. I left for home about half an hour by the sun, in company with George Bigelow, colored, who lived with me; saw Dismukes at the grocery, he got a flask of liquor, and I think he then left for home a short time before Wiley did.

CROSS EXAMINED.

Didn't see Wiley nor Stephens go out of the Court House. I was not examined at the inquest. Saw Wiley come out and go to Haralson's store before Hill was done speaking.

[The same questions were put to this witness in regard to secret organizations as were to the other witnesses.]

Thinks there was bitter feelings against Stephens for other than political reasons; knows of no vigilance committees; don't believe there were any such organizations in Caswell; Hodnett bore down pretty hard on Stephens in his speech.

RE DIRECT.

Have heard Wiley say he had struck a negro and was brought before Stephens for it, and that he fared much better than he expected and that he felt kindly to him for it.

TO THE COURT

There have been some three or four people whipped in Caswell; his opinion was that several of the boys would get together and whip; thinks they put on some disguise to prevent being known; knows nothing about it except from rumor; formed his opinion from that.

RE-DIRECT.

Knew nothing about the matter except from hearsay; have heard of a few cases of whipping, about five in all; heard of a negro named Jacobs being killed, besides Stephens, and his mother who was found dead in his house. Heard that Jacobs was sitting to shoot Ku Klux when he got shot.

Recess till 3 o'clock and to meet at the Supreme Court room.

EVENING SESSION.

3 P. M., AUGUST 24.

James H. Hopkins examined. Was at the meeting in Yanceyville on 21st May, acting as Assessor for the township. Was in the meeting in the morning and afternoon, left just as Hodnett was concluding his speech and went to the Grand Jury room to take Mr. Swan's tax list. Remained in the office taking lists until 5 minutes to 6 o'clock; door from passage was open; saw Stephens come into the office and walk round to the right, on the outside of the crowd in the room; knows it was he; didn't see him leave; this was but a few minutes after witness came into the office. Saw Stephens no more; there were many in the office all the time. Locked the door and took the key to Norfleet's store.

CROSS EXAMINED.

Had been in the office perhaps half an hour when Stephens came in. Do not know of any organization to punish negroes for stealing, have no reason to believe there are such organizations in the county, do not believe there is. Don't know that there was much bitter feeling against Stephens; heard Hodnett's speech, heard him say Stephens got money as a spy on the people of Caswell.

TO THE COURT.

Saw no one use the C. and M. room; had not been to that part of the passage; thinks it probable the door leading upstairs from that end was kept locked.

Branch Pinnix examined. Resides 12 miles from Yanceyville, was in the meeting 21st of May, and left about 5 o'clock in afternoon. Heard Dr. Roan tell the colored people they should have the Court House to hold their meeting the next Saturday; this was as the people were leaving the room after adjournment. Witness went out to find Mr. Bain who was going his road home, went to Norfleet's and several other places, and not finding him returned through the Court House to see if Bain's horse was gone; the horse was hitched near the South end of the Court House, saw the horse and then turned round to go back and hunt for Bain. As he turned round, saw first door to the left (that of the Clerk and Master,) standing a-jar, pushed it a little further open to see if any one was in, saw no one and then went on out at front, and saw Bain coming from towards Johnston's store; this was about two hours by the sun, started home and arrived at Bain's, one mile from his own home about sunset, and reached home about dusk. Thinks he left about half hour after the close of the meeting. Saw Wiley as he was passing to the Court House to look for Bain. Wiley was talking with young John Kerr; Wiley had on a black coat.

CROSS EXAMINED.

Didn't know Stephens, don't know that he saw him that day—it was but a short time after seeing the door open before starting home; is certain as to the door; has not been to Yanceyville since that day. Heard of the murder of Stephens while at Mebanesville on his way to Salem the Tuesday after the murder; the gentleman who informed him told of the finding the body in that room, and he then mentioned for the first time having looked in there while hunting for his neighbor Bain. Don't recollect from which side the door hung.—There was bitter feeling against Stephens; some talked against him others did not; don't know any thing of any secret organization to whip colored people for stealing; should not be surprised there was some such; have heard so much about them am bound to believe some of it is true.

TO THE COURT.

Recollects seeing no one in the passage; don't recollect seeing key in the door; saw some wood or chips scattered on the floor of the room.

John C. Wilkerson examined. Was at the meeting on 21st May. Resides at Leesburg 14 miles from Yanceyville, fourth of a mile from the Person line; left the meeting just as Hill concluded his speech, went down in the vestibule and was reading some advertisements. Wiley came up and they talked for a while about Stephens urging Wiley to run for Sheriff, and Wiley called witness' attention to Stephens at that moment talking to a colored man in the passage; didn't know the colored man, went from there to Mitchell's store; met Smith and Dismukes ready to start home, Wiley told them he would overtake them; went then to Haralson's store and got a bottle of bitters; Wiley went to Johnston's and to the Drug store and in a few minutes, not exceeding ten, came round with his horse to the pump and after watering his horse they started for home.

CROSS EXAMINED.

When saw Stephens in passage there were a few persons up in the court-room where they were appointing delegates to Greensboro'. Don't remember how Stephens was dressed; seemed talking friendly to the colored man; don't know if any one was in the grand jury room. Thinks the feeling against Stephens was bitter; don't know of any organization, suppose there were such; saw a company of them, 24 in number, once at Leesburg—they did no mischief there that witness heard of.

RE DIRECT.

Didn't know any of the persons, they were disguised with long white robes, came from towards Hillsboro, went back same way; horses were not disguised; they wanted whiskey and tobacco; enquired for a certain negro magistrate, thinks they went to his house, don't know; wanted witness to go there with them, he refused.

Jerry Smith examined. Was at the meeting; came out a little before 5 o'clock, knew the time by looking at his watch; passed Wiley on the Court Square; got his horse, Wiley said he would overtake me; he did overtake me about three miles from town. The meeting had closed when I left the Court House; went right out and started home in 15 or 20 minutes.

CROSS EXAMINED.

Have heard of secret organizations—knows of none, had heard of three cases of whipping; can't say there was bitter feeling against Stephens, don't remember what Hodnett's remarks were; he did not seem to talk bitter, but told the colored people why their wages were so low and taxes so high.

George Bigelow, colored, examined.—Was in the meeting at Yanceyville in the afternoon; saw Stephens there; saw Wiley when he went out; Stephens soon followed; I followed soon, and when I got down saw Wiley and Stephens at the foot of the stairs; Wiley turned off, and as he did so, heard him say to Stephens, "I can't do it." Don't know what he meant. Wiley went on out at the gate; Stephens went in the same direction. Near the gate a white man spoke to Stephens; the man had a paper in his hand; witness went out; at the gate turned and saw Stephens and the man going into the passage of the Court House.

I went to some of the stores looking for Mr. Thomas Bigelow, not finding him, went back to the Court House; at the front door saw Stephens; asked me where I was going; told him I was looking for Mr. Thomas Bigelow; he then said there was no one in there, and I went back leaving him standing there. I met Mr. Bigelow near Johnston's store and we soon started home. We met Mr. Felix Roan 1½ miles from Yanceyville, at Harrell's bridge; got home about dusk; it is between 2 and 3 miles from town.

CROSS EXAMINED.

Lives with Thomas Bigelow; and went home in a common walk; it is a little over two miles, got home about dusk. Told about seeing Stephens first to Thomas Bigelow—talked about it day before yesterday; don't remember any one else present at the time I saw Stephens.

Dr. Preston Roan examined. Saw Wiley on the day of the meeting; saw him leaving town with Wilkerson about 5 o'clock in the afternoon; was returning from a professional visit; thinks it was soon after the meeting adjourned.

CROSS EXAMINED.

Wiley and Wilkerson were together when I saw them leaving. Thinks there was bitter feeling against Stephens on the part of a few, don't think it was general.—Knows of no secret organizations in Caswell, does not believe there are any there. Didn't notice the color of Wiley's coat that day. Had on yellow linen coat on Sunday.

Leo Hensley examined. Was in Yanceyville on the day of the meeting, was at the Court House between 4 and 5 o'clock in the afternoon; went to give in my tax list; office was crowded and I walked to the South door, Mr. Wiley came there and I told him I wanted to talk with him about getting pay for time I worked when bound out. (Witness stated substantially same as what was stated by Mr. Wiley.) Hamp Johnston, Dr. Richmond and another white man came up. Mr. Wiley asked Hamp Johnston about a girl at his house. I went then to the tax room and saw Mr. Wiley coming along behind me; I had to wait some time to give in my list and after that went back to where I was mowing grass and then went home.

CROSS EXAMINED.

Saw Wiley at the door where the high steps are; Wiley came there through the passage from the front door; don't know where Dr. Richmond and the others went from there. Don't know anything about Ku Klux, they never interrupted me.

James A. Henderson examined. Am a merchant in Yanceyville, saw Wiley in the afternoon at my store; he came in to borrow something to give his horse water in; first kind a small tub; saw him at the pump, saw him get in his buggy and leave; this was some time before night.

CROSS EXAMINED.

There were a great many who did not like Stephens and his course, suppose there was some bitter feeling against him; have heard of disguised persons going through the country; don't believe there are any vigilant committees; believes there have been disguised parties who have whipped some persons.

A. J Hooper examined. Lives 5 miles from Yanceyville, was there at the meeting and left late in the afternoon, at about half hour by the sun; got home about supper time, was about; saw Stephens just before I left; he was at the Court House gate, there were some 4 or 5 colored men with him or near him; knew Stephens well, has no doubt it was he; was some 20 or 30 yards from him. Saw Felix Roan about sunset coming out at the gate at his farm going towards town.

CROSS EXAMINED.

Stephens was in front of the gate; saw no white people near him; the crowd had pretty well broke up; heard nothing of his being missing before I left. Was not before the jury of inquest. Spoke to my mother about seeing Stephens and to uncle Jack Kimbrough; don't remember now how it came to be talked of; spoke of it soon after Kirk arrested Wiley.

RE DIRECT.

I spoke of it to mother, after Kirk arrested Wiley because I had seen Stephens after it was said Wiley had gone home.

A. J. Kimbrough examined. Live six miles from Yanceyville; was there on the afternoon of the meeting; left when the sun was about an hour and a half high. Before I left I saw Wiley watering his horse at the pump, stepped in the store and came out again in a few minutes and he was gone. About half an hour after Wiley left, saw Stephens going past the front of the Court House toward the east, turn the north east corner of the fence in the direction of Corbett's. Knew it was Stephens. There was a colored man walking in the same direction some distance behind Stephens.

CROSS EXAMINED.

I was about 40 yards off when I saw Stephens; don't remember whether he was walking fast or not and didn't notice his dress. The negro was some 8 or 10 steps behind him. Spoke of seeing him to my brother perhaps the same day; don't know how it came to be talked about; think I said I wondered where he was going, and something was said about his going to a meeting at the school house. Did not speak much about this because was afraid of being arrested.

RE DIRECT.

There is a footway by Mr. Withers' in this direction, to the school house, and I thought he might be going there; or that they might be going to have a meeting somewhere else.

Adjourned to 9 o'clock to morrow morning.

### A GOOD CITIZEN LEFT.

MR. EDITOR:—We regret to state that Mr. W. F. Davis, formerly of Boston, Mass., who had lately settled near Kittrells Springs, has returned to the North.

This step of Mr. Davis was compelled by an unexpected change in his business, and is deeply regretted by all of his acquaintances here. Mr. Davis was a Northern man but had demeaned himself with so much propriety in our midst and taken such an interest in the county that he had endeared himself to all who knew him, and his departure is regarded as a serious loss. His uniform kindness his unpretending worth, his generous appreciation of our people and his habits of energy and thrift made a most favorable impression on the community.

We desire such men to come among us from the North, and will always extend to them and their families the right hand of friendship. There is room and a future for them. How different the example of such a man as Washington F. Davis, who came among us and acted the good man and citizen, and left with hosts of new made friends to bid him a reluctant good bye, to the mercenary and characterless adventurers who have rushed here to rob and disgrace us and then fly the country as fugitives from justice. THE RUBY.—We generally speak of the diamond as the most valuable of gems, but this is not really the case. The ruby is the most valuable, but it depends for its rarity upon its color. The ruby is the next hardest thing to the diamond. It is found principally in the East.

Siam, and Ava, and Ceylon, afford the most plentiful supplies. In Burmah the finding of one of these jewels is made a state event; the grandees of the empire go out to meet it with elephants and all the grandeur of Eastern state. There are many shades of red, but the most approved, and commanding the highest price, is that of the "pigeon's blood."

The ruby, in common with many other precious stones, had magical properties attributed to it by the ancients; indeed, we do not doubt that in the East the superstitious ideas connected with it are as rife as ever. Our ancestors believed that it was a preservative against evil thoughts, and that much dreaded thing of old—poison. It kept the wearer safe from all evil spirits, and what was more, its sanitary power was held to be so great that he was said never to suffer in bodily health. Moreover, it was supposed to be endowed with a certain occult intelligence. It was believed that the gem darkened when danger awaited the person, and grew bright again when the peril had passed away.

The King of Burmah, one of whose titles is that of Lord of the Rubies, has one the size of a pigeon's egg. The value of these gems goes on increasing as a much higher ratio than that of the diamond. When its weight is as much as four carats, its value varies from £100 to £150, a sum more than double that of the diamond of the same weight.

### NORTH CAROLINA ELECTION AND THE "STANDARD."

A writer in the *Journal*, over the signature of a dagger, attacks the *Standard* for rejoicing over the result of the North Carolina election. The signature is singularly appropriate, not only as indicating the spirit that animates the article, but as emblematic of the cause of tyranny, force, fraud, violence and rascality which the article espouses in behalf of Holden, Kirk and their cut throat followers in North Carolina.

The article asserts that the conservatives who have just triumphed in that State, are the men "who, when North Carolina hesitated to secede, dragged her into the war and set a price upon the head of every man who dared be true to the government. They were the men who pledged the last man and the last dollar to sustain the rebellion.

* * * * * * *

And to-day they hate the government and the people of the North with an intensity only to be found in traitors foiled in their treason."

If these statements of "dagger" are true, they prove the total incapacity of the radical party to deal with the questions of reconstruction in the South and pacification of the country. It is now more than five years since the rebellion was totally crushed out, and from that time to this the radical party has had supreme control in administering the affairs of government; has adopted and enforced just such a policy as it pleased, and yet, according to "dagger," there is a majority of some fifteen or twenty thousand voters in North Carolina who are still "avowed enemies of the government and open opponents to the perpetuity of the Union," and that, too, after the negroes of the State have been converted into voters and arrayed on the side of "loyalty." What soundness and statesmanship must have been embodied in a policy which produces such results after a trial of more than five years' duration. What wonderful wisdom and sagacity must have characterized those who originated and enforced a policy that pacifies the disaffected and strengthens the government in the affections of the people to such an extent and at such a rapid rate as this. If "dagger" is right in his assertions there cannot be any better evidence possible of the necessity of dismissing the radical party from power as wholly incompetent to pacify the country and as unworthy of the confidence and support of the people.

But "dagger's" statements are not correct. It is *not true* that a majority of the people of the old North State are enemies of the government. It is *not* true that the conservatives who have triumphed in that State hate the government and oppose the perpetuity of the Union. They are chiefly the educated, high-minded and honorable white people of the State; the true friends of the Union and government. A great many of them participated in the rebellion, undoubtedly, acting upon honest convictions of duty, probably, but when the rebellion failed, they abandoned the cause and each took a solemn oath abjuring the doctrine of State Sovereignty and pledging their highest allegiance to the general government in the future forever.—They are not fools enough to suppose any further attempt at rebellion could be more successful than the other was, and they are not such villains as to commit perjury by violating their oaths without the least prospect of gaining anything by so doing. "Dagger's" charges against the thousands of high minded and honorable conservatives of North Carolina are wholesale libels, originating in partisan animosity and selfish bigotry.

But how stands the case with the radicals of that State, whose cause "dagger" espouses with such recklessness and indiscretion?—Who are they and what is their record? Holden, who is now Governor of the State, elected by the radicals backed by the bayonets of the U. S. army, is the head and front of his party. He was one of the foremost and fiercest of rebels in all the State in secession times. When he affixed his signature to the ordinance of secession he held his pen aloft and declared he would preserve it and pass it down to his children as a memento of the proudest act of his life. In his paper of June 5, 1861, he used the following language: "Who will plot for the heads of Abe Lincoln and Gen. Scott?" It was under his administration as Governor of North Carolina under the confederacy that Union men were "hunted with blood hounds," or "shot down in the midst of their families." This infamous rebel who actually advertised for the assassination of Lincoln and Scott, who is steeped in infamies of the darkest dye, is now the leader of the radical party just defeated so overwhelmingly by the conservatives of that State, and his followers are composed chiefly of such scalawags as Kirk and his brigands, carpet-baggers from the North and plantation negroes who know but little more about government than so many mules. It is for the defeat of this conglomeration of rebel scalawags, carpet-baggers and negroes that "dagger" mourns and vents his anger by vilifying and abusing the great body of intelligent, christian white people of a noble State.

But, thank Heaven, his malignant effusions and such as his, cannot longer avail. The rebel Holden has been repudiated with his infamous scalawag crew, by such a majority as leaves no doubt that all such excrescences upon the body politic are to be sloughed off and left to perish in the midst of their own corruptions. The tide is rapidly rising which is to engulf them forever and the efforts of "dagger" to drive it back will be about as effectual as would be an old lady's efforts in trying to sweep back the inrolling waves of the ocean with her broom. The true character of carpet bag and scalawag rule in the South is becoming too well understood to be tolerated any longer. The days of its power are numbered and all good men rejoice.

and all who appreciate and demand the most UNQUESTIONABLE SECURITY, at rates in some cases, *some decidedly lower than* those of the leading Mutual Cash Companies.

The Excelsior names Policies on *all* the plans of *Mutual or Stock* Companies, extending to policy holders, all th ir really desirable advantages. Its policies being *non-forfeiting*, the insured are privileged to *live and travel where they please* in any healthy part of the world, they participate in its profits, are allowed 30 days grace for payment of renewal of premium, a cash surrender value of policy, and a *privilege* which has never been offered by any other Company, that of converting Policies into

after the payment of 5 or more annual premiums.

I have been restricted in the very popular Company which I had the honor to represent to *Stock rates* alone, which most of the *Mutual*, and mixed Companies have adopted. This disadvantage, together with the multiplication of many new Companies, in this State, who Excelsior induced me to accept the management of that Company, whose plan combines all the additional privileges of converting policies, which the holder can not afford to keep up, or wishes to discontinue, because of the death of those for whose benefit the policy was secured, into an *Annuity Bond* which provides an *income in cash through life, or for a series of years as preferred.*

Circulars giving full explanations and any other information, will be cheerfully furnished.

The most liberal arrangements, will be made with first class solicitors, to push the Excelsior forward in the Old North State, to that position which her low rates and most ample security entitle her to occupy.

# THE SENTINEL.

CITY AND STATE ITEMS.

THURSDAY, AUGUST 25, 1870.

☞ THEO. N. RAMSAY, as Business Clerk, is authorized to make contracts and give receipts, &c., &c.

### THE RECEPTION OF MR. TURNER.

The employees of the SENTINEL office having claimed the privilege of participating in the ceremonies of the reception, and having prepared this issue before 3 o'clock to-day, we are compelled to defer a notice of the ceremonies until to-morrow.

### JUDGE BROOKS' COURT.

The entire afternoon session of yesterday was consumed in an able argument of W. H. Bailey, Esq., of counsel for respondent Kirk, to show that Kirk had not been guilty of contempt in not delivering those arrested parties who had been re called before Judge Pearson, on the writ issued by him, prior to the day, upon which they were to appear before Judge Brooks.

The session this morning was taken up in the able arguments of Messrs. M. Grimes and Graham, of counsel for petitioners, and a rejoinder by Mr. McCorkle. Judge Brooks reserved his opinion for this evening.

THE INVESTIGATION OF MR. WILEY'S CASE BEFORE JUDGE PEARSON.—We are giving a complete account of the testimony taken in the investigation before Chief Justice Pearson, on the charge of killing John W. Stephens of Caswell, against F. A. Wiley, one of the most substantial and reliable citizens of that county. We beg the close attention of the public to this evidence. It will be seen that there is not evidence enough against Mr. Wiley, to induce any jury in the land to pronounce the slightest taint against him, before leaving the jury-box. But the prosecution is wickedly punishing this man and others, not expecting to convict Mr. Wiley of murder—this is impossible—but to ascertain the whereabouts of the invisible Ku Klux &c. The testimony, therefore is important in the future effects of the Radicals to nullify the late elections.

"KIRK'S LAMBS". One of these fellows insulted a young gentleman on the train a few evenings since, by spitting in his face while the young man was passing the car, at Brassfields' station. The young man tried to get at him, but the captain would not let him handle the "lamb" as he deserved.

THE INJUNCTION.—We are pleased to learn that an injunction has been served upon the Public Treasurer, his Cashier, and the military officers who have received money for the payment of Holden's State Troops, forbidding them to pay out anything for that purpose from the Public Treasury. The injunction was issued by His Honor Judge Mitchell at the instance of R. M. Allison, Esq., of Iredell. This movement will be universally approved by the people.

### TESTIMONIALS.

Out of sheer modesty we have withheld from the public a large number of appreciatory letters to Mr. Turner and various propositions to aid him. In his absence, we feel compelled to insert the following from a friend in Norfolk. Besides this, various similar propositions have been made from other sources. All that the *locum tenens* can say in Mr. Turner's absence, is go ahead:

NORFOLK, VA. August 20th, 1870.

EDITOR OF SENTINEL:—We North Carolinians hailing with pride the glorious achievements in our mother State, and wishing to express our appreciation in a substantial way, suggest that the Hon. Josiah Turner, the Champion of Conservatism as a testimonial of our high appreciation of his services, be presented with an elegant residence, with a building, printing press and fixtures complete, in the city of Raleigh. Let half of the Conservative voters of the State contribute one dollar, fifty cents or even less. Our city will freely respond, and this will easily place it with in the power of a grateful people to make the donation. County organizations or even the ladies could best accomplish this object. Do not become lukewarm after our rejoicing is over, but make this move with a concert of action and the amount will be raised without any difficulty, and in a very short time. Noble ladies of North Carolina, by you this labor of love can best be accomplished, for by the running of your State from a despot's rule, none have been benefitted than yourselves, and to no one, can you do homage more deservedly, than to Joe Turner. Your friends look with interest to your action.

A NORTH CAROLINIAN.

RALEIGH, August 24, 1870.

EDITOR SENTINEL: Sir, we notice a paragraph in last evening's SENTINEL, in which allusion is made to the next State Printer, wherein a correspondent informs you that parties, other than Mr. Turner, have already begun to electioneer for the position.

As our establishment is the only one in the city, besides that of the *standard*, which is prepared to do the work, and therefore the only one that the article above alluded to would seem to indicate as already canvassing for the position, we have thought proper to address you this note to assure you and our friends through out the State, that we have no intention of running for the position, have not electioneered for the same, do not intend to, and would not expect to be elected it we were candidates.

Respectfully,
NICHOLS & GORMAN.

In order to shorten the above letter, so as to admit it in our crowded columns, we have taken the liberty of leaving out the last paragraph, which is specially complimentary to Mr. Turner.

Our impression was that parties outside of the city might have been alluded to by our Anson friend.

STOCK CAN BE BOUGHT.—A friend of ours has 3 shares of stock in the Building and Loan Association which he wishes to sell. Enquire at this office.

The present session of the University of North Carolina we learn, opened with *nine* students.

The kitchen attached to the residence of Mr. John W. Baker, in Fayetteville, was burned down on Monday night last.

### MORE MISCHIEF.

The Radicals are not content to bear their late defeat like honest men. The result surprised Democrats, Conservatives, Republicans and Radicals. But there never was an election conducted more honestly than that was on the part of the Conservatives and Democrats. It is papable and can be proven beyond a doubt, that the victory was obtained without the usual stimulus of organization or money. The organization was only such as was indicated in the address of the Democratic Conservative members of the late General Assembly and what concert of action could be secured in the several counties; and as to the use of money to secure the election not *three hundred dollars* came into the hands of the Executive Committee for the circulation of documents, or any other purpose. From these facts it is plain, that if the Radicals had any desire for peace or right or justice they would be content.

But they are not. Since the election, delegations have gone to Washington with large batches of lying and lately malicious statements, all which can be disproved, setting forth that the election was carried by fraud and especially by the agency of a Ku Klux organization throughout the State. Besides this, Radical correspondents from different sections are publishing their false and malicious statements to the Northern papers. All these are to be manipulated by the Central Republican Executive Committee at Washington City, and every other agency employed to bring to bear upon Congress every influence to induce that body to remand North Carolina again to the condition of a military dependency, to render null the late election, and perpetuate if possible Radical rule in North Carolina.

To add to the force of these measures, it is understood, that the present investigation going on before Judge Pearson in this city, aided by Judge Dick and Settle, (and Reade and Rodman are expected to lend a hand in a few days,) ostensibly to ferret out crime, but it is really to connect the success of the Democratic Conservative party of the State, with the wicked and criminal acts of Ku Klux. It is said, to make the matter sure, Beach warrants will be issued against respectable persons in different parts of the State to be brought here to be examined with the view of fixing alledged Ku Klux outrages upon the Conservatives and Democrats. The idea is too monstrous to believe. That the Supreme Court Judges of this State would lend themselves to a course so partizan and outrageous is difficult to credit, and yet such is the rumor.

All these efforts will fail, as all the wicked efforts of Holden by his war upon the good people of the State, to provoke our people into armed resistance, have failed. Bad and devilish as many Radicals in Congress are, there are too many sensible and honest Republicans in that body, to allow so wicked a purpose to succeed.

The truth is, and the discreet Republicans in North Carolina admit it, that the defeat of the Radicals in the late election is chargable directly upon the corruption, extravagance, robberies, public plunder and violent partizan course of the late Radical General Assembly and Holden's abominable administration. The finishing stroke to their defeat was put upon Radicalism, by the unholy and unlawful military war of Holden upon the people and his lawless arrests and bad treatment of the arrested parties. The defeat was the uprising of a deeply injured people to save the State from Radical ruin.

### "GOV. HOLDEN! WHO GARBLED THE LETTER?"

The following exposes only slightly the infamous efforts of Holden, Abbott, Pool and others, to delude and injure the good people of North Carolina. Mr. Greeley is justly indignant, but he does not know a tithe of the villainy of these men. We intended publishing Tourgee's letter to Gen. Abbott and commenting on it as it deserved, but we have not yet had space. It will be seen from the following, that the false and lying statements of that letter, which we have denounced, Tourgee says were not his statements, but of others, Holden or Abbott it seems, who garbled his letter.—Read what the *Tribune* says:

We have a word for Gov. Holden and Senator Abbott. Just before the North Carolina election we printed a letter from Judge Tourgee concerning the Ku Klux outrages in that State. Certain very startling statements were made in it which, but for the respectable signature, would have been universally scouted. Judge Tourgee promptly wrote us, complaining that the figures he had given, in enumerating cases of outrage, had been increased tenfold by the addition of a cipher to each, converting ten into a hundred, etc. Now, we printed the letter precisely as Gov. Holden in person delivered it to our correspondent, and as the correspondent understood that Gov. Holden had received it from Senator Abbott, to whom it was addressed. We submit to these gentlemen that they have allowed too long a time to elapse without explaining to us how the disgraceful garbling occurred. We should have expected them to be as indignant as we were ourselves at the fraud practiced upon us, and to be prompt in exposing the forger who abused their trust (in copying the letter) by putting into Judge Tourgee's mouth monstrous assertions which he never dreamed of uttering. Gov. Holden! who garbled the letter which you gave our correspondent?

CLOVER.—We were shown a stock of red clover to-day, grown on the farm of Capt. W. E. Pierce of this County, which was sown on the 16th of March last, which measures three feet ten inches, without manure or fertilizer of any kind. This with a thousand other proofs, demonstrates the complete capacity of our land to produce red clover.

A. M. Waddell Esq., Congressman elect from the 3rd District, will address the people of Columbus on Saturday next on agriculture and politics.

Holden's regnes are committing depredations in the neighborhood of their camp. Henry Mordecai, Esq lives near one of their camps, has within the last week lost a fine hog, a yearling and several shoats, all of which were tracked to the camp of the negro band.

## TELEGRAPHIC.

### Wednesday Night Dispatches.

WASHINGTON.

WASHINGTON, August 24.—Robeson returns to-morrow.

A large number of assistant assessors in the South and West have been dismissed.

NEW YORK.

NEW YORK, August 24.—A special dispatch to the *Times* from Paris, states that the correspondent saw a letter from a high st. Petersburg official, stating that Russia was seriously alarmed with Polish affairs. There is great agitation in favor of France, and many Poles were leaving for the French service. On the other hand there is a movement on foot to affect the Russian Baltic provinces for annexation to the German Confederation. Russia is on the horns of a dilemma, and it is believed that in self defence she will be compelled to participate in the war.

FOREIGN.

LONDON, August 24.—Count Renard, the noted writer on political economy and finance, is appointed Governor of Alsatia.

*The Times* guesses the fact that the determination of the French Corps Legislatif for self-government will be irresistable should Napoleon fall.

Prussia has sent Bavaria a subsidy of ten millions of gold.

*The Times's* electric light proposition meets with favor in military circles. The glare will perplex the besieged and aid the besieger.

The Orleans party are hopeful. The princes here watch events closely, and have an agent of great skill and experience in Paris advising them of every event affecting their interests.

False dispatches to the London *Times* causes intense indignation.

BERLIN, Aug 24.—The Citizens congratulated the Queen on the recent victories. The Queen replied that she earnestly desired peace but letters from the field stated that the army unanimously demanded substantial guarantees for future peace before the war closes.

St. Petersburg *Journal* denies that Russia is committed against the dismemberment France, she is, however, unfavorable to that measure.

PARIS, August 24.—*La Liberte* says that Senators Mellinet and Bonic have been appointed on the Committee of Defence.

The journal continue to blame Prince Napoleon for his absence at such a time.

At a meeting of the National Guards it was resolved that no proposition for peace should be entertained while the Prussians remain on French territory.

Yesterday's Corps was unusually turbulent. The minister asserted in the Chamber that Paris was abundantly provisioned. Other answers equally satisfactory were made, but the excitement continued. Jules Simon proposed to send from the city now all the arms-bearing population, (applause.) Others proposed sending the wounded away. Simon objected. Technot caused much tumult by saying that a scarcity of army existed in certain quarters. The majority protested.

Minister Brame replied that arms would be duly distributed, and called attention of the deputies to the fact that such questions shouldn't be discussed so much. Gambetta, much excited, accused the majority bringing on the war. His remarks were so harsh that the majority refused to hear them. The session ended tumultuously. Gambetta is generally blamed for lack of discretion.

A large number of Prussian prisoners arrived at Toulouse and more are coming.

The journals unanimously oppose permission to carry the Prussian Wounded through Belgium.

The new French loan is all taken.

*The Patrie* says should the Prussians defeat the great army confronting them at Chalons they will have to vanquish another before reaching Paris. Besides they will find Paris itself amply prepared.

CHOLERA.
HOW TO CURE IT.

At the commencement of the Diarrhœa, which always precedes an attack of the Cholera, take a teaspoonful of the Pain Killer in sugar and water, (hot, if convenient) and then bathe freely the stomach and bowels with the Pain Killer clear. Should the diarrhœa or cramps continue, repeat the dose every ten or fifteen minutes until the patient is relieved. In extreme cases, two or more teaspoonfuls may be given at a dose.

The Pain Killer, as an internal remedy, has no equal. In cases of Cholera, Summer Complaints, Dysentery, Diarrhœa, Asthma, cures in one night by taking it internally, and bathing with it only. Its action is like magic, when outwardly applied to Old Sores, Burns, Scalds, and Sprains. For Sick Headache and Toothache, don't fail to try it. In short, it is a PAIN KILLER. Directions accompany each bottle.

The Pain Killer is sold by all dealers in Medicines.

The insuring public should not allow itself to be deceived with regard to the term "Annual Dividends." Many companies using this expression mean that their dividends are "annual" ARREARS BUT NOT PAID AT ALL; but they DO NOT BEGIN TO PAY until the settlement of the third, fourth, or fifth premium.

*One hundred Dollars* paid; dividends at the end of *one year*, and each year thereafter, equals FOUR HUNDRED AND THIRTY SIX DOLLARS paid at the end of FIVE YEARS, interest at six per cent.

A NEW DISCOVERY!!

PHALON'S

"VITALIA;"

OR,

Salvation for the Hair.

CLEAR AS WATER!
WITHOUT SEDIMENT!!!
OPEN TO THE LIGHT!!!

*For Restoring to Gray Hair its Original Color.*

PHALON'S "VITALIA" differs utterly from all the hair coloring preparations heretofore used. It is limpid, sweet smelling, precipitates no muddy or slimy matter, requires no shaking, imparts no stain to the skin. Hold it to the light and it is clear and colorless. It leaves no mark on the scalp; yet it reproduces in gray hair the natural color that time or sickness may have bleached out of it.

☞ Phalon's Vitalia ☜

is for one sole purpose, that of reproducing, with absolute certainty, the natural color of the hair. It is not intended as a daily dressing, nor for removing scurf or dandruff; nor for curing baldness; nor for stimulating the growth of the hair.—These objects may be accomplished after the color has been fixed with the Vitalia, by Phalon's Chemical Hair Invigorator.

THE VITALIA is a harmless and unequaled preparation for the reproduction of the original hue of gray hair, and nothing else. This is accomplished in from two to ten applications, according to the depth of shade required. Sold by all druggists.

We honestly think two boxes of Mehegan's Bankers might be induced to influence even Grant to compassion in regard to the suffering Cubans.

NON-EXPLOSIVE COMBINATION BURNING FLUID

THE CHEAPEST, BEST AND SAFEST ILLUMINATING AGENT IN THE WORLD!!

No more Exploded Cans!—No more Exploded Lamps!
No more Smoke!—No more Grease!
No more Fires!!

EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

It costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received and the following:

PHILADELPHIA, March 19th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA, WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks,*—upon which elements of administration the security of a Life Insurance Corporation *depends*

The laws of New York *compel* Companies in that State to calculate the Cash value of their Policies, each and every year, *and a certain legal standard of reserve and accumulation must be held by the Companies to meet all their liabilities.*

Insurers, in looking around for Companies in which to insure, should carefully seek for this important SAFEGUARD. It will be found in the BROOKLYN LIFE.

Gen'l. S. B. BUCKNER, Manager Southern Dep't.

The Globe has peculiar claims upon the Southern country, from having first introduced the non-forfeiting feature in all its policies. Its President, Mr. Pliny Freeman, was the inventor of the ten-year, non-forfeiture plan, and introduced it in the Company with which he was then connected.

The Globe takes no notes; but receives its premiums in cash, and pays its policies in cash, without deduction.

To those desiring it, the Company will issue policies, registered and certified by the Superintendent of the Insurance Department of New York, as "secured by pledge of public stock."
